# IS THE MENSTRUATING WOMAN ALLOWED TO TOUCH THE MUS-HAF?

---

The 'Allaamah Shaykh Muqbil ibn Haadee Al-Waadi'ee رحمه الله عليه

**Question:**

Is the menstruating woman allowed to touch the Mus-haf?

**Answer:**

There is no harm in this due to the absence of evidence regarding its prohibition. As for the Hadeeth:

*"None touches the Qur'aan except the pure."*

Ash-Shawkaanee said: *"That which is intended is that none touches the Qur'aan except the one who is pure; meaning the believer."* He used as an evidence the fact that the Prophet ﷺ said:

*"Indeed the believer does not become impure."*

Also, the Prophet ﷺ forbade travelling with the Qur'aan to the territories of the enemy.
