

## Shaytan congregates for the Jumah of the innovator

Shaykh Abdul Muhsin Al Abaad Al Badr

**Question:** If the Jumah sermon is delivered from a Sufi and he propagates Shirk during his sermon, do the Angels listen to the Dhikr?

**Shaykh Abdul Muhsin:** It is well-known that this is falsehood, and this is not Dhikr; this is evil. I say; the likes of this is evil. Thus the Angels and likewise the people upon the truth listen to the Dhikr that which obedience and that which is Tawheed. As for the Satanic Dhikr, the Shaytan congregates for this. I say; the likes of this is attended by the devils.
