

## The strangest dream in history

ISIS leader bases reign of terror on a dream!

Shaykh Raslan: (Listen) to the evidence which will prove to you the ignorance of ISIS. They permit the spilling of blood, killing, explosions, and causing chaos in the Muslims lands all based upon a dream! Abu Yahya al-Libi—his real name is Muhammad Qaid. This person had **the strangest dream in the history of mankind!** This is the man Ayman al-Zawahiri said is one of their major scholars. He collected what Satan showed him in a dream into three essays. **This was to justify killing the Muslims!**

✚ First dream: He said he saw the Prophet peace be upon him while he was delivering a sermon on the pulpit and he was wearing a white turban. As he was speaking about the current events he said: All of the blood spilled during these calamities in the Muslim world is on my neck. And then he placed his hand on his neck. (A gesture the Arabs do to so their truthfulness)

Thus he claims all of the unjustified killings perpetrated by the hands of the Kharijites, is on the Prophet peace be upon him?! Have you seen a greater crime than this! The devils from mankind play with the Jihadists corrupting their belief system and thus allowing the devils from the Jinn to play with them. And **perhaps these devils from the Jinn are also from the Kharijites.**

✚ Second dream: He said: While I was asleep I heard a voice from the heavens—and I believe it was the voice of Prophet Dawud peace be upon him—and he was saying to the Mujahideen: Be patient, verily you are upon the truth. Be patient for verily you will be victorious. Then I entered a room and I heard Allah say in a clear voice: Is it not enough for the Mujahideen that I am pleased with them and I will never be angry with them.

They tell one another: "Kill, spill blood, blow things up, Allah is pleased with you; the Prophet peace be upon him will bear your sins." (Abu Yahya al-Libi mentioned these dreams to justify killing seventy Muslims in Morocco)<sup>1</sup>

<sup>1</sup> رُؤْيَا شَرْعِيَّةٌ لِلْأَحَادِيثِ النَّفْخِيَّةِ لِلشَّيْخِ إِبْرَاهِيمَ الْمُحَمَّدِيِّ وَمَرَاجِعَةُ مُعَالِي الشَّيْخِ صَالِحِ الْفُوزَانِ

And they expect to achieve victory by **lying** on Allah and His Messenger. **Allah is free of them; the Messenger of Allah peace be upon him is free of them!**

Translator's note: Dreams are **not** a source of legislation. Ibn Al Qayyim may Allah have mercy upon him said<sup>2</sup>: Dreams are similar to Déjà vu some of it is from the Most Merciful while some of it is from Satan. The dreams of the Prophets are revelation because they are protected from Satan. And the Ummah agrees upon this. For this reason Ibrahim peace be upon him started to sacrifice his son Ismael peace be upon him based upon his dream. But as for everyone other than the Prophets, their dreams must be viewed in light of clear revelation. And if it does not agree with revelation it cannot be implemented.
