

Ibn Sirin does not have any books about Dream Interpretation

Explained by Shaykh Fawzan

Questioner: Noble Shaykh the questioner asks about the books of Ibn Sirin. Did Ibn Sirin specialize in dream interpretation? And can it be said that the books present now in the libraries and bookstores are by Ibn Sirin?

Shaykh Fawzan: This is a lie. **Ibn Sirin does not have any books about dream interpretation.** This book which is present now is not by Ibn Sirin; rather it was falsely attributed to him.

Translator's note: The most popular English books and Android apps falsely attributed to Ibn Sirin are: "Islamic Dream Interpretations" by Muhammad Ibn Sirin and "Ibn Seerin's Dictionary Of Dreams"
