
IN REALITY SHE IS A GOOD WOMAN

Shaykh Saalih Al-Fawzaan

Question: Noble Shaykh, may Allaah grant you Tawfeeq; this woman asks: Is it permissible for her to request her husband to take a second wife?

Shaykh: Huh?

Questioner: A woman asks: Is it permissible for her to seek from her husband that he take a second wife, while he is not able financially nor other than that; and she will help him out by giving him money?

Shaykh: This woman is strange; where is she at? As for accepting help in order to marry, then there is no harm in that; and he should remain connected to her. In reality, she is a good woman to him. So it is obligatory to be good to her and to fulfill her rights.
