
A WOMAN DESIRES TO MARRY A MAN WHO IS ALREADY MARRIED

By: The Noble Shaykh Ahmad An-Najmee

Question:

This questioner from Britain asks: *What is your advice for a sister who desires to marry a man who is already married?*

Answer:

May Allaah reward her with goodness.

Someone present jokingly says: (Perhaps) she deems herself to be better (for him).

Yes, may Allaah reward her with goodness. That is not something which should be cautioned against. Rather, it is upon her and upon all women that they should not be wary of or refrain from marrying a man who has a wife; or two wives; or (even) three. Na'am.
